COVID-19 WAIVERS & FLEXIBILITIES

USDA Waivers #15-18

RELEASED APRIL 2020

Waiver #15: SFSP Site Visits

The requirement of SFSP sponsors to visit each site at least once during the first week of program operation has been waived.

TO DO:
If you operate an SFSP program, check if your state has elected to use this waiver.

Waiver #16: OVS Flexibilities in the SFSP

Offer Versus Serve flexibility is granted to SFSP programs, even in non-congregate settings. **Note:** This does not apply to SSO or CACFP.

TO DO:
If you operate an SFSP program, check if your state has elected to use this waiver. See waiver for the OVS rules unique to SFSP.

Waiver #17: Meal Times - EXTENSION

Existing Meal Service Time Flexibility Waiver #1 expiration date is extended to September 30, 2020 in all programs **except** CACFP.

TO DO:
Check if your state has elected to use this waiver.

Waiver #18: LSWP Triennial Assessments

The deadline to complete the first LSWP Triennial Assessment has been extended to June 30, 2021.

TO DO:
If your state has elected to use this waiver, and you wish to accept the new deadline, inform your State agency by June 30, 2020.

COVID-19 Support for Schools and Families

Action for Healthy Kids is meeting the needs of schools and families impacted by school closures due to COVID-19. Read below to learn more about our Emergency Meal Distribution Equipment Grants made possible with support from our generous sponsor, Cargill.

Emergency Meal Distribution Equipment Grants

School nutrition professionals across the county have stepped up to get food to kids during school closures. Districts and schools have shared with us the need for additional equipment to create grab-and-go curbside meal pickups at schools and other locations within the community, additional hot and cold food storage containers, grab-and-go packaging materials, and mobile distribution to families in outlying or rural communities. Working with the equipment vendor, [Hubert](#), AFHK will provide selected school districts with equipment credits for \$1,000-\$2,000 per site to purchase equipment.

- Applications will be reviewed and awarded on a rolling basis: Applications submitted by Friday of each week will be reviewed and awarded by the following Friday.
- Awarded districts will receive a letter detailing their award with a purchasing code for their Hubert orders, and awarded districts will work with Hubert customer service to order the items needed.
- **Deadline: Rolling deadline until all funds are awarded.**

May 6, 2020

Ms. Kim Frinzell
Director
California Department of Education
1430 N Street, Suite 4503
Sacramento, California 95814-5901

Dear Ms. Frinzell:

This letter is in response to California Department of Education's (CDE) April 28, 2020, request to waive the requirement that Fresh Fruit and Vegetable Program (FFVP) foods may only be provided to students during non-congregate meal services due to the novel coronavirus (COVID-19). Under current requirements, Program operators must provide FFVP foods directly to students.

Specifically, CDE's request requires a statewide waiver of the distribution requirements at Section 19(b) of the Richard B. Russell National School Lunch Act (NSLA) (42 USC 1769a). As implemented, Section 19(b) requires Program operators to provide FFVP foods directly to students, not to parents and guardians. However, the Food and Nutrition Service (FNS) recognizes that in this public health emergency, continuing to require children to come to the meal site to pick up meals may not be practical and in keeping with the goal of providing meals while also taking appropriate safety measures.

Because the Families First Coronavirus Response Act (P.L. 116-127) did not include FFVP as a "qualified program," the nationwide waiver allowing parents to pick up meals for children at non-congregate sites does not apply to FFVP. Therefore, State agencies must request a waiver under Section 12(l) of the NSLA to permit Program operators with an approved waiver allowing non-congregate meal distribution during COVID-19-related operations to distribute FFVP foods to a parent or guardian to take home to their children.

To grant a Section 12(l) waiver, the NSLA requires that the waiver must facilitate the purpose of the program, the public must receive notice and information regarding the proposed waiver, and the waiver will not increase the overall cost of the program to the Federal Government. FNS finds that CDE's waiver request satisfies these statutory requirements.

Accordingly, based on the exceptional circumstances relating to the declaration of a public health emergency due to COVID-19, and pursuant to the waiver authority granted at section 12(l) of the NSLA, FNS approves CDE's waiver request of the FFVP distribution requirements found at Section 19(b) of the NSLA, through June 30, 2020, or upon expiration of the federally declared public health emergency, whichever is earlier. Please note, CDE also requested flexibility to allow any school site operating one of the

Summary of COVID-19 Child Nutrition Program Response Nationwide Waivers & Memos

center for BEST PRACTICES

State agencies are eligible to use all nationwide waivers without application, but they must still elect to be subject to the waiver by notifying their USDA Regional Office. These waivers do **not** apply to all operators automatically – state agencies must opt in and provide information to operators before operators can implement the waiver. For all waivers, a report must be made within a year summarizing the use of the waiver by the state and program operators as well as whether the waiver improved services to program beneficiaries.

This document was last updated on 5/7/2020. See the [USDA FNS website](#) for all nationwide waivers and contact your state agency for more information about these and other waivers. See the end of this document for a glossary of acronyms and terms.

Waiver or Memo #	Waiver Name	Programs Covered	Release Date	End Date	What It Does	Notes
COVID-19: Child Nutrition Response #1	Nationwide Waiver to Allow Meal Service Time Flexibility in the Child Nutrition Programs	NSLP, SBP, SSO, SFSP, CACFP	March 20, 2020	June 30, 2020*	<ul style="list-style-type: none"> Provides flexibility for serving times. Allows for serving multiple meals for the same day at one time. 	<ul style="list-style-type: none"> Operators must still establish meal service times or delivery times. At this time, only SFSP or SSO operators may distribute meals for multiple days at the same time.
COVID-19: Child Nutrition Response #2	Nationwide Waiver to Allow Non-congregate Feeding in the Child Nutrition Programs	NSLP, SBP, SSO, SFSP, CACFP	March 20, 2020	June 30, 2020*	<ul style="list-style-type: none"> Allows for off-site consumption of meals & serving models like grab-n-go, curbside pick-up, mobile/bus routes, and home delivery. 	
N/A (Q&A)	COVID-19 Summer Food Service Program (SFSP) and Seamless Summer Option (SSO) Meal Delivery Using Existing Authority	SFSP & SSO		<i>As long as #2 is in effect</i>	<ul style="list-style-type: none"> Sets guidelines & restrictions around home delivery Clarifies that meals can be served through SFSP/SSO during spring break if break is postponed or cancelled. Clarifies that NSLP/SBP can be used during distance learning. 	<ul style="list-style-type: none"> Parents must consent in writing & verify their address before starting delivery. The child does not need to be present for delivery; no one needs to be present for delivery of shelf-stable food. Delivery must be led or run by SFA but can involve other partners with parental consent to share their information.
COVID-19: Child Nutrition Response #3	Nationwide Waiver of the Activity Requirement in Afterschool Care Child Nutrition Programs	NSLP Afterschool Snacks & CACFP At-Risk Afterschool	March 20, 2020	June 30, 2020*	<ul style="list-style-type: none"> Eliminates need for supervised enrichment programming. 	<ul style="list-style-type: none"> Allows CACFP At-Risk Afterschool sites to function similar to SFSP open sites.

*Or until the end of the public health emergency, whichever is earlier

P-EBT

P-EBT

what you can do

- build public awareness!!

faq's

- \$365 / child (one time funds)
- eligibles students:
 - qualified for free/reduced meals
 - enrolled in P2 or CEP schools
- **do not** need to apply if receiving:
 - calfresh, calworks, medi-cal, etc. (DC)
- **do** need to apply if eligible but do not get card in mail

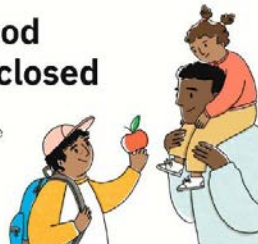

may 22: P-EBT cards for DC students delivered

june 30: deadline to apply

Pandemic EBT

Get help buying food while schools are closed

Because schools are closed due to COVID-19, children who are eligible for free or reduced-price meals can get up to \$365 in food benefits in addition to their pick up meals from school. These food benefits are called Pandemic EBT or P-EBT.

P-EBT benefits coming soon in May 2020

Where can families apply?

Families should look out for a message from their school district or local community based organization about how to apply in mid to late May.

How will families get their P-EBT benefits?

Most families with children who applied for CalFresh or Medi-Cal benefits do not need to apply. They will get their P-EBT card in the mail during the month of May. P-EBT cards will begin arriving around May 12, 2020 through May 22, 2020.

Use it like a debit card.

Families will get up to \$365 per eligible child on their P-EBT card to use on food and groceries. If you already have this card, you do not need to apply online.

Families with children who are eligible for free and reduced-price meals and who do not get their P-EBT card in the mail by May 22, 2020 must apply online before June 30, 2020.

***Students can still pick up to-go meals if they have P-EBT benefits.**

P-EBT is a program by CDSS and CDE, funded by the USDA, an equal opportunity employer.

P-EBT communications

- students who receive p-ebt **are** still eligible to pick up free meals at sites
- does **not** impact immigration status/public charge
- easy application: (1) name
(2) address
(3) school site

Tip: consider print media, social media, email, text, and phone calls

No evidence of eligibility is required (no letters from the school, etc)

P-EBT toolkit

- sample all call scripts
- sample text messages, emails, social media
- FAQs
- posters
- english, spanish, chinese

<https://www.cdss.ca.gov/home/pandemic-ebt>

Text message

Hello [**parent's name**]. This is an important message from [**school district name**].

We believe you may be eligible to get \$365 per child to help feed your family, in addition to any grab-n-go meals you may be getting.

Because schools are closed due to COVID-19, California is providing new food benefits called Pandemic EBT, or P-EBT.

You may receive a P-EBT card in the mail in the next few weeks, between May 8-22. Others will need to apply later this month.

Learn more at ca.p-ebt.org/info.

FAQs about Pandemic-EBT for Children & Families Served by Child Welfare Services

P-EBT and Provision Schools

1. How does P-EBT work for students attending schools that are providing meals through a Provision such as Community Eligibility Provision or Provision 2?

For the purposes of P-EBT, all students who attend a Provision school are considered eligible for free and reduced-price school meals.

If a student is directly certified, they do not need to apply for P-EBT and will automatically receive a P-EBT card in the mail. If a student is not directly certified and does not receive a P-EBT card in the mail by about May 22nd, they can apply for P-EBT online. The P-EBT online application opens on May 22nd at: ca.p-ebt.org

See question and answer #5 and #6 below for more information about children who apply or are directly certified for free or reduced-price school meals on or after March 16, 2020.

2. Our district operates Provision 2 for only one meal service. How will P-EBT eligibility be determined for these children?

Because all children in the district receive a free meal through Provision 2, for the purposes of P-EBT, all those children are considered eligible for free and reduced-price school meals and therefore eligible for P-EBT. If a student is directly certified they do not need to apply for P-EBT and will automatically receive a P-EBT card in the mail by about May 22nd. If a student is not directly certified and does not receive a P-EBT card in the mail by about May 22nd, they can apply for P-EBT online. The P-EBT online application opens on May 22nd at: ca.p-ebt.org

See question and answer #5 and #6 below for more information about children who apply or are directly certified for free or reduced-price school meals on or after March 16, 2020.

3. Will younger siblings of students attending a Provision school be eligible for P-EBT?

Only school aged children who attend a school that participates in the School Breakfast Program (SBP) or National School Lunch Program (NSLP) are eligible for P-EBT benefits.

Pandemic-EBT Info for Children & Families Served by Child Welfare Services

Due to the coronavirus pandemic emergency, children who are eligible for free or reduced-price school meals, including foster youth, will receive food benefits. These food benefits are called Pandemic EBT or 'P-EBT' benefits. P-EBT benefits help caregivers of foster youth buy food while schools are closed.

Important Information for Youth and Caregivers

- School-aged youth in foster care are automatically eligible for P-EBT benefits. Families with children who are in foster care do not need to apply or complete any forms, including those in Family Maintenance programs.
- P-EBT cards will be issued in the child's name and will be mailed to the caregiver, Foster Family Agency, group home or Short Term Residential Therapeutic Program address on file so that the card is available to the primary individual who cooks and makes food purchases on behalf of the child.
- P-EBT cards will arrive in the mail around May 12 through May 22, 2020
- Each eligible child will receive up to \$365 in P-EBT benefits one time.
- Students can pick up "to-go meals" from schools and get P-EBT benefits. They do not have to choose between one or the other.

Child Nutrition Program Meal Service During Coronavirus (COVID-19)

Best Practices for Parent Pick-Up of Meals and Snacks

It is a Federal requirement that Child Nutrition Program operators provide meals and snacks directly to eligible children. However, given the current health crisis, the U.S. Department of Agriculture (USDA), Food and Nutrition Service (FNS) issued a nationwide waiver that allows local Program operators to distribute meals and snacks to parents and guardians to give to their eligible child. USDA does not have the legal authority to reimburse Program operators for meals provided to ineligible adults. Learn more: <https://www.fns.usda.gov/cn/covid-19/parents-and-guardians-waiver>

State agencies are working with local Program operators to ensure that meals and snacks are distributed to parents or guardians of children eligible to participate in the National School Lunch and Breakfast Programs, Summer Food Service Program, and Child and Adult Care Food Program. The nationwide waiver allowing parents to pick-up meals for children at non-congregate sites does not apply to the Fresh Fruit and Vegetable Program (FFVP). However, States may submit individual waivers to FNS requesting permission to allow parent pick-up under the FFVP.

<https://www.fns.usda.gov/resource/covid-19-nationwide-waiver-allow-parents-and-guardians-pick-meals-children>

Questions To Consider

- Would an alternative method of meal distribution meet needs while ensuring program integrity (e.g., mail delivery or bus delivery along regular bus routes)?
- What is the plan for ensuring meals go to eligible children?
- What is the strategy for preventing the distribution of duplicate meals (e.g., a person claiming the same meals from multiple sites)?

Meals picked up by mom and dad for kids to eat and enjoy!

Providing Bulk Foods During the COVID-19 Pandemic

Questions and Answers for Child Nutrition Program Operators

May 2020

For additional COVID-19 Guidance, please visit the School and Child and Adult Day Care Meals COVID-19 guidance web page at <https://www.cde.ca.gov/ls/he/hn/schoolmeals.asp>

Question 1—Can we provide multiple days' worth of meals at once to households?

Yes. Child Nutrition Program (CNP) Operators may provide eligible children or adults in day care with meals for up to one week at a time.

Question 2—Can we provide food in bulk (e.g., providing a gallon of milk instead of individual cartons)?

Yes. CNP Operators are permitted to provide components in a bulk "grocery-style" to assist with storage and other operational challenges. This may require additional math to calculate how much of a component is needed for a household. For example, for the milk component, if a household has 3 children picking up both breakfast and lunch meals for 5 days, calculate the number of half pints of milk needed (3 children x 2 meals x 5 days = 30 cups. A gallon of milk is equal to 16 pints, so 2 gallons is enough to meet the minimum requirement of 30 cups).

Question 3—What documentation should accompany the bag(s) of bulk food?

CNP Operators should provide each household with:

- A menu for each of the meals with a list of ingredients in each food (include any allergens).
- Directions indicating which items should be used for each meal and the planned serving sizes of each food.
- Instructions on storage and preparation in accordance with food safety principles. For guidance on food safety, reference the California Department of Education (CDE) fact sheet for handling food safely. Please go to Safe Food Handling Practices (PDF) at <https://www.cde.ca.gov/ls/nu/documents/foodsafetyfactsheet.pdf> to download and view the fact sheet or contact your local environment health agency.
- A discard date for food that is not consumed.

NATIONAL
FARM to SCHOOL
NETWORK
GROWING STRONGER TOGETHER

Local Policy Ask Template in Response to COVID-19

National Farm to School Network is compiling local policy asks to create a **COVID-19 Local Response Template for advocates**. We have pulled together language from over 20 local organizations, and we are asking that more advocates and organizations continue to send us their ideas! This is a living document that focuses on more than farm to school because we understand that food justice is tied to the larger justice conversation. And it's important that we stand together on issues like workers' rights, access to healthcare, housing, and access to affordable healthy food.

Please feel free to pull ideas from this template, and make any changes needed, so that it addresses the needs of your community. If you have policy suggestions you would like us to consider adding to the list please reach out to our Krystal Oriadha, Senior Director of Programs and Policy, at krystal@farmtoschool.org.

Dear :

We, the undersigned non-profit organizations and unions, call on the _____ government to adopt the following actions in response to the COVID-19 pandemic. Our organizations represent working families across the county and state and we are profoundly concerned for the families that are most vulnerable during this time. Workers across the county have put their lives on the line during this outbreak, risking their own health and safety to keep us healthy, care for and feed our children, keep health and other critical businesses clean, and much more. Our government has a responsibility to them and to all in our county and state to ensure that every possible effort is taken to keep them and their families safe.

Survey Report on COVID-19 Budget for School Food

School districts need flexible funding to stay open and continue providing essential meals to students.

leadership:

a seat at the table

pull up a chair

1. ask yourself,
“what do I bring to the table?”
2. build authentic relationships
with key decision makers
3. don't be afraid to share your
voice

take a bite

1. align your “asks” with the long-term goal of the organization/district
2. know exactly what you are asking for - avoid vague generalizations
3. paint a picture:
 - how you will use that funding
 - what is at risk without it
